

Summer Holiday Club 2019

- Open from **7:30am** until **6:00pm** and is charged per child, per day.
- The cost of a day in club includes breakfast, snacks, refreshments, lunch, cooked tea and activities.
- The cost of a day out includes breakfast, snacks, refreshments, cooked tea and trip cost.
- **On trip days please send your child with a packed lunch unless stated otherwise**
- Please ensure that your child is dressed in suitable clothing for the weather that day (spare clothes, wellies, sun cream, sun hat etc). On trip days if your child is 8 or under please could you send them with a spare change of clothing.
- **PLEASE PROVIDE YOUR CHILD WITH A REFILLABLE DRINKS BOTTLE**
- Please note on trip days we will be leaving club at 8.45-9.00 so all children need to be in stingers for this time to attend the trip (staff will make you aware of the time children need to be in club before the day). Please be aware we may return back late from trips depending on traffic and if we need to stop for toilet breaks, if this is the case we will try our very best to inform parents of the late arrival.

Charges-----NEW STARTERS to Holiday club - A £20 registration fee is payable upon receipt of this form.

Each day is charged at a flat rate of £28. On days that the children spend the day in club then a payment of just the £28 is due. On days that the children spend the day on a trip away from club then a payment of the £28 will be charged, plus the additional amount to cover the trip costs.

The amounts you need to pay for each day are black bold writing.

We also grant a sibling discount to those families who are booking more than one child in for holiday club. The sibling discount is given as a 10% deduction from the lowest child's fees on the flat rate of £28.

Please be aware trips may get cancelled depending on how many bookings we have for these days and changed to one suitable for the numbers we have booked in, parents will be notified of these changes and the price may change due to this. **Please also note if numbers consistently fall below 8 children then sessions will be cancelled, parents will be made aware of this in enough time to organise alternative childcare.**

If your child is unable to attend days booked in for club these are still chargeable unless a weeks' notice is given, days can be swapped if spaces are available. A charge may occur if you change from a trip day and this has already been booked to which the cost of the trip will still be payable.

Please note that the deadline for booking your child(ren) in is Friday 12th July , any forms after this date will be first come first serve and places will only be given if we have space on days wanted. If your child attends every holiday club we still need a form back by the date provided to ensure they are booked in for the days they should normally attend.

Payments for the six weeks can be made weekly but need to be paid a week in advance on a Friday to ensure your child's place is not cancelled, e.g. Days booked in for w/c 22nd July then payment needs to be made Friday 19th July. Any account which falls into arrears by two weeks will be cancelled for the remaining holidays.
