Parent Partnership /Home Learning

We would like to thank all our parents for their involvement in our home learning activities over the last academic year.

We have good parent partnerships at nursery as parental involvement in a child's education from an early age has a positive effect on education achievement. By working closely with us to build positive relationships, we can provide opportunities for you to be fully involved in your child's care and education.

We will be putting up on our home learning board termly ideas for you to do at home. Please check our home learning board's for ideas. This term want you to take home a bag and return it with 3 items that are special to your child for a show and tell.

Please can you provide your child with suitable clothing as the weather is beginning to change and also spare clothes would be helpful. Please could you write your child's name in clothes as this would help.

Babies

This term babies are learning about themselves and their families. We will be learning new songs and action songs. We will be doing lots of activities exploring our bodies. Please can we remind parents to bring suitable outdoor footwear for your child as we like to play outside.

Tweenies

This term tweenies are looking at settling in the new children and looking at the interests. They will be doing all about me learning about themselves, their families and other people by enjoying pictures, stories and activities. Please could you bring a family photo so that we can display them on our wall.

Pre School

This term tweenies are looking at settling in the new children and looking at the interests. They will be doing all about me learning about themselves, their families and other people by enjoying pictures, stories and activities. Please could you bring a family photo so that we can display them on our wall.
