

Babies' Room

In baby room, we enjoyed preparing for Christmas, decorating the room with a Christmas Tree, lights and tinsel around the room, decorating the room with all the painting that the children did. Decorating the small world with some Christmas woolly hats, scarfs and gloves.

The children had a chance to make Christmas cards and calendars for the new year

Bumblebee's Room

In Bumblebee's we had a lovely time preparing for Christmas, decorating our room with the Christmas tree, lights and tinsel. In our small world table, we made a winter/ Christmas table that consisted of a handmade Christmas tree, that the children made. Tinsel, a boxed-up snowman with cotton balls and pine cones. Using different types of props like Rudolph and Christmas tree glasses to take some fantasy pictures with her friends.

Made snow ball cards using cotton balls, using glitter and blue paint, decorated snowflakes that were made from lollypop sticks. We also made salt dough stars and decorated them ready to go on our Christmas tree.

On Christmas party we had lots of games like pass the parcel and danced to Christmas music.

Pre-School's Room

In pre-school we did lots of activities to celebrate Christmas, they include decorating the room with a Christmas tree and lights, the children did a lovely job in helping put the tinsel, lights and baubles on the tree. After this we decided to make their own wooden Christmas tree with natural resources in the curiosity area. Children have been taking part in lot of circle time talking about how they celebrate Christmas at home with their families. Whether that be with lights and decorating the house and Christmas tree. We also asked them questions like what you would like for Christmas.

We had different activities during the Christmas period, for example:

Christmas card and calendar, the children would make their own Christmas cards and new year's calendars to take home. **Reading and listening to Christmas stories**, and then have a discussion about Christmas and the story they heard.

There were lots of games for the Christmas party and dancing to Christmas music like, 'I Wish It Could Be Christmas Everyday' dancing around with all our friends in Christmas dressing up clothes. We also had a lovely time preparing our Christmas hats for the Christmas dinner and we all enjoyed the Christmas dinner. We also enjoyed wearing our Christmas jumpers with all our friends
