Graduation

As the end of this summer term we will be losing some of our children to BIG School as they start their next learning

Adventure! We always find this time of year a mixed time as we are so proud of how far they have come

and how much they have grown through their time many from the baby room.

With Covid in mind and with the appropriate measures in place we would like to invite you to a graduation ceremony with a

Difference!

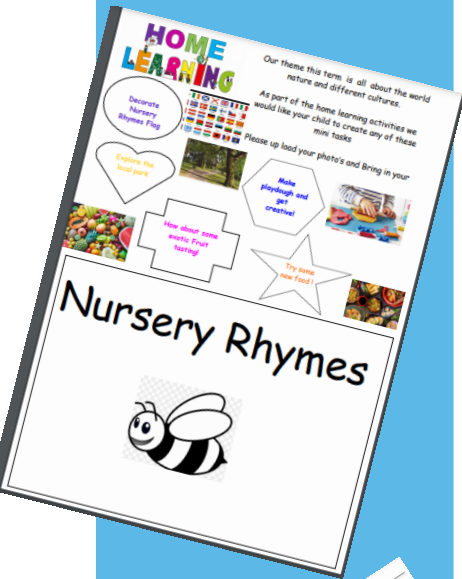

Hopefully the weather will be great, but we will have some back up plans just in case So please save the date

Pre school Thursday the 1st of July 2021

Stingers Pre school the 2nd of July 2021

Please note there is AM and PM Graduations

HOME LEARNING

This Terms home learning is Flags in the babies and in the tweenies we have a physical focus and in Pre school we are all about numbers! as this term is looking at numbers in the environment, encouraging children to being to recognise numbers. And counting objects

Babies

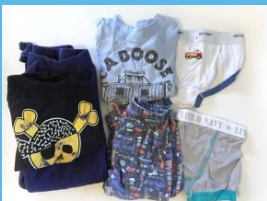

Spare clothes

Can we also remind parents to provide a spare change of clothes and suitable outdoor clothing as we still go outside to play in all types of weather?

Outside play is an important part of a child's development and they enjoy experiencing the different types of weather.

Please can we ask that names are put in clothing to help keep clothes together.

This next term the Babies will be looking at cultures as we celebrate with some amazing food treats and some themed activities from all over the world! As well as continue our growing and garden themed activities.

Tweenies

The Tweenies we're looking all about getting physical and nature! We will be spending a lot of time outside in the back garden and may even find some mini beasts along the way I hope!

THANK YOU to all those parents who took part in last term's home learning.

This half term's home Learning is all about nature! don't forget to send us your pictures!

Keep your eyes peeled for our flower themed activities and More!

Pre School

In Preschool they are focussing on mathematics' and each room's home learning is math's based!

We look at the children's interest and planning different invitations to learn.

We will be focussing on two math's themed books! One the Hungry Caterpillar and the other Goldilocks and the three bears.

We will also be spending time outside using our senses to explore and plant for the growing season.

Please can we ask that the children bring suitable footwear for outside in the garden. We will continue this learning as we move on to learning all about numbers and shapes.

THANK YOU to all those parents who sent in their home learning and photos. Looking forward to seeing your next home learning!

Parents evening

We will be sorting out parents evening for June, please look out for your parents evening slips.
