Hi everyone, we hope you and all your families are safe and well. Welcome to all the children and families who have recently joined First Class Nursery

UPDATE- The staff and children have continued working with guidelines in the setting based around covid-19 very well. We are continuing to follow working in age bubbles. All the children have now returned back to nursery.

**Please can we ask all parents/Carer can ensure that all the gates are closed behind them when entering and leaving nursery for the safety all the children and staff  
Thank you**

Throughout the term the children have learning about all the different people who help them on a daily bases from their mummy and daddy's and other professionals they may meet along the way.

The children have also been learning all about the caterpillar life cycle. There have done a lot of lovely and interesting activities. And there really enjoyed listening to the very hungry caterpillar story and story sack.. We have also just had the chicken eggs arrive so the children will be now learning about the chicken life cycle.

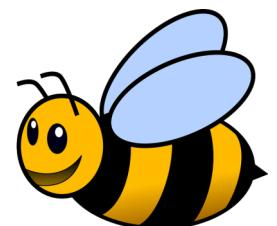

### Home Learning planting our own sunflowers

We are asking parents if there would like to join in our home learning this term. Planting their own sunflowers and hope and watch them grow. Once there have started grow then to bring them into nursery and we will plant them and watch them grow. If you would like to take part please ask a member of staff for a seed and we will provide you with them and instruction.

### Curiosity Play

As a nursery we are looking at more of a Curiosity approach to play. We would like to ask parents/carers if they have anything at home that they would like to contribute to help enhance our resources in nursery to allow the children to explore and play with. We are looking for donations of old unused items that you might have at home, like mirrors, remotes, pots and pans, china cups and saucers and tea pots, mobile phones, wooden or natural objects etc

If you are having a clear out, please ask a member of staff if any of your items might be useful. Thank you for your support

**Reminder** - If your running late to pick your child up from nursery then please let us know in advance by giving us a call ... If you fail to do so you will be charged £10 for first 15 minutes then £1 per minute thereafter.

**Late Payment Fee.** Please can we make sure you pay your fees onto to avoid the late fee charge!

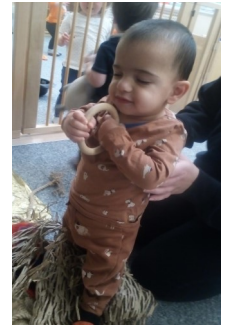

**PLEASE STRICTLY NO TOYS FROM HOME**

Please can we remind you about our no toys from home policy, due to the covid-19 pandemic we have to children have slowly started bringing toys into nursery again and we cannot be held responsible for the where about or care of these toys throughout the day. Children become too attached to their belonging that they have brought at home and do not want to take part in other activities planned.

Please can we ask you to provide your own water bottle and they will be labelled.

**Things we having been doing in nursery**

Please find us on Google and on face book and leave us a review about what you think of our nursery this will be highly
