End of Year Newsletter 2021

16a Portland St HD1 5PB - 01484 950746 - firstclasshuddersfield@gmail.com

2021 ... Another unforgettable year with so much going on but we made it ... it's nearly coming to an end ... therefore we would like to take this opportunity to thank you all so much for your ongoing co-operation in the current situation with the Coronavirus, and for helping us all keep safe and try and continue as normal.

We had a few charity fundraisers which we couldn't have achieved without your support.

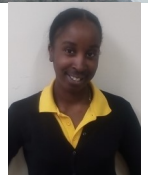

For Macmillan we raised £85 and for children in need we raised £60.

We were lucky to be able to have a few outings this year, as part of our ongoing celebrations around the world we were able to go to the sikh temple for Diwali and the church for christmas. The children had lots of fun taking part in these trips.

Some of you may have already met our new member of staff. Natalie is based in our Pre-school room and has settled in well with the children and staff.

Home Learning

Thankyou for taking part in our Home Learning task which was to help us decorate our Christmas tree by making salt dough decorations at home. We had some very creative decorations.

Our new topic in nursery in the new year will be 'People who help us' look out for more information on our activities and what we will be getting up to.

We are slowly moving away from Parent zone therefore if you would like to send us any of your child's achievements from home them please send via email rather than through parent zone. firstclasshuddersfield@gmail.com

As you all know we decided to cancel our Parents evening because of the new variant that has been said to be spreading, therefore we decided to send out report's for children and alongside that we sent out parent questionnaires, we really appreciated your patience and understanding regarding parent's evening and would like to thank you for your lovely feedback in the questionnaires that came back. Any type feedback is very useful to us as a setting so we can continue to achieve the best we can. We would like to also take this opportunity to remind parents if they haven't already - to please leave a review on day nurseries - simply find us by our name and leave us a review this would be highly appreciated. Also not forgetting our social media sites such as Facebook and Instagram they are always updated daily, please show your love and support, like and share our nursery. Last but not the least we would like to wish a very merry Christmas and a Happy New Year from every at First Class.
