(Nursery Closed)

We would like to give a warm welcome to **Megan**, **Reuben**, **Jayvan**, **Briella**, **Isaac**, **Blayne**, **Haiden**, **Tina**, **Mila** & **Aanya**. Thank you all for choosing our nursery. We hope you're all enjoying your time at Fixbees and are settling in well.

**Covid** - If your child is not feeling well with a high temperature and a persistent cough or any other covid symptoms please do not send them into nursery please keep them at home till they feel better. This is to ensure you are keeping everyone else safe at nursery. Thank you for your on-going support.

We are pleased to share with you our staff achievement ... Alison our nursery cook has completed her level 2 childcare in Early Years which means she is able to help out more in the rooms. Well done Alison.

That time of year is fast approaching where we will be sadly saying goodbye to our big pre-school children as they are getting ready for big school

**Pre-school Leavers Graduation** - The date for the Leavers Graduation has been set for Saturday 2nd July ... Invitation have been handed out please return as soon possible ... as this is our first proper graduation after lockdown we are really excited and looking forward to seeing the children with their families for our grand celebration.

**Transition forms** - Pre-school leavers parent's have been given parent/carer information sheet this needs to be handed back in as soon as possible in order for the transition forms to be sent out to your child's new school.

**Personalised items** - One of our parents is making personalised items for pre-school leavers ... if you would like to buy these as a keep sake then please head over to **Costumed** on Facebook or speak to Sarah regarding more information.

**Orders will be taken up until the 11th of June and they will be ready for 27th June.**

What we have been up to at nursery ...

**Parent Events** - We are pleased to have invited parents/carer's back into nursery ... Preschool learning event was a success, we would like to thank all the parents who attended this event. The children and parents enjoyed a range of Easter activities. Even staff had lots of fun.

This term we did a blend of hybrid or face to face attendance at our scheduled parents/carers evening....Thank you for attending parents/carers evening. It was so lovely to welcome you all back into the setting and share with you your child's individual learning journey, report and development. Also thank you for those who chose the telephone consultations it meant that we had 100% turnout for your parents consultations. Thank you...

The staff really enjoyed sharing your child's 'days at nursery' and also finding out what your child enjoys learning at home. These meetings are important, it is a way of ensuring we get the best possible outcomes for your child and also to prepare them for the next stage of their learning journey... school

**Baby Room** - Babies have been really interested in sensory so following their interests they have been exploring sensory lights, musical instruments, playing peek-a-boo with different textured materials. They have tasted real fruit and vegetables that have been set up in the home corner for them to explore. They have explored their senses through scented water, play dough and sensory bottles.
