For parents information such as fees, EYFS, Learning at home and also download various documents.

Twenties - ~~Two year olds~~ have been planting seeds, growing Parsnips and Forget me nots. They have been talking about GROWING ... they asked parents to bring in pictures of the children from when they were babies and pictures of them now at the age of 2 ... children were able to see talk about how they have grown from being babies into 2 year old children.

Pre-school - ~~Pre-school~~ room have children who are getting ready to school therefore they have been introduced to Jolly Phonics and having group discussions about going to school. Encouraging independence with eating getting dressed for example zipping own coats etc. To Further develop this they will be introducing school uniform in the home/dressing up corner where children will be able to try and dress themselves in school uniform. Children have been practicing writing their names ready for school playing letter games trying to recognise their names and the letters etc. Also as an ongoing planting and growing topic they have been planting and looking at natural things and insects outdoors.

Sensory House -

In the outdoor area we have created our little shed into sensory house ... this is a place where children can explore their senses on a smaller scale or a one-to-one basis.

Solar panels in nursery - As you are all aware the cost of fuel as gone through the roof!! With this in mind, all our nurseries are energy efficient.

Definition of Green energy comes from natural sources, such as the sun. Clean energy are those types which do not release pollutants into the air, and renewable energy comes from sources that are constantly being replenished, such as hydro-power, wind power or solar energy.

What this means is that all nurseries are fitted with solar panels and over the next few weeks fitted with batteries. These batteries mean that as we generate our own electricity we can use the electricity we generate and store the electricity we don't until we need it i.e. in the winter months when we need additional heating and lighting...

Safety Reminder

FOR THE SAFETY OF ALL CHILDREN AND STAFF

Please can you make sure the front door is closed before and after you enter the building.

Please do not allow anyone to walk into the setting behind you even if you think you know who they are.

Unexplained Absences

If your child is not going to be in nursery for the day, **PLEASE** could you let a member of staff know or phone nursery first thing in the morning. If you wish to book holidays at half fees a holiday request form needs to be completed and submitted to the office at least four weeks in advance. If you do not inform anyone about your holiday then unfortunately you will still have to pay full fees. Holiday request forms are available in the entrance and office.

Emergency Contact

Please can we remind all our parents/carers if you change your phone number, address or e-mail to let the staff know so we can update our records in the office. It is so important we have current contact details in case we urgently need to contact you.

Update your contact info!
