As always we would like to give a very warm welcome to our new children and their parent's/carers. Thank you for choosing to come to our nursery. We are delighted to have you here at our setting. If you need any help or advise please feel free to give us a call on the above number alternatively you can email on fixbeesdaycare@gmail.com

## **Au Revoir...Farewell... Adieu..Ciao...Auf Wiedersehen..Bon Voyage...**

We would like to say a fond farewell to all the children who are leaving us to move onto pastures new... We have loved sharing those special moments with you all, and we are really going to miss you all. We have loved watching you grow from those shy little children to confident young people ready for that next stage of your learning journey... Please don't be strangers and let us know how they settle into their new schools...

## **GRADUATION... SCHOOL OF 2023....**

We held a graduation for all the children who were leaving us to start the next part of their learning journey on Saturday 1st July... Thank you for all those who attended and the staff team for helping make this a resounding success ... A big shout out to Mrs

### **Staff**

From September we are please to announce the promotion of Kurah to joint Deputy Manager. She will work alongside myself and Sarah... Congratulations Kurah...

Well done to Jasmine, and Farzana for completing their qualifications, Jasmine level 2 and Farzana

### **Topics / Activities around Nursery ...**

Throughout the summer term...

Our on-going topic in nursery as been Active Learning ... where children learn through having sensory motor experiences and through being active learners this gives us the opportunity to plan a wide range of activities for the children based around their interests too. We have also embedded oral health into our long term provision... we feel this is important for their self-care skills and teaches them the importance of 'we are what we eat'...

**Babies** Have been looking at the growing world and sensory play ... Planting sunflowers.. Thank you to all the parents who have shared their pictures of how their sunflowers are growing this has been amazing... . We have also concentrated on sensory play for our younger children—sensory lights and heuristic play.. As always we have been following the children's interest this term it has especially been the book 'We're going on a bear hunt' ...

**Tweenies** have been focusing on under the sea activities this term! We have been carrying out several different activities such as fascination trays linked to sea animals, some sensory fun including sea animal bottles filled with different liquids for the children to shake and explore. We have also been singing along to different sea animal music! Tweenies have had an amazing term so far!

### **Pre-school**

What a busy term for our preschool room... We have been following children's interests within our roleplay area.... We have had an Hairdressers.... Hospital ... and our latest interest has been schools!! The children have embraced these topics and have shared with us some of their amazing skills... Varinder has spent a lot of her time bandaged up, the children have displayed some amazing bandaging skills... hair stylist and now the latest... those bossy teachers!!! we have introduced some new resources in the great outdoors... opening the sensory house up to all children as a lovely relaxing space to sit and read alongside the staff team...

### **Home Learning - Growth**

#### **Babies / Tweenies -**

Children within these rooms have all been growing sunflowers and sharing these photos with us via email and on parentzone.. Thank you for sharing... can't wait to see when they flower!

#### **Preschool -**

The children in preschool also enjoyed growth.. They started growing cress in the preschool room and then took them home... Thank you for sharing your lovely pictures of the cress!!
