Hello...Wow what a busy last half term we had from exploring the world we live in and celebrating all that makes us unique to welcoming back old friends and making new.

We are so proud of all the many milestones that we've achieved and we can't wait for this next half term.

The children at the end of last half term went on a visit to Sycamore Park care home and we are so excited we have been invited back!!!

We are going to be making something special for the resident this festive season and was wondering if you have any unwanted gifts that we could re gift to the residents this would be appreciated.

Please feel free to send in pictures of what you have been up  to in the holidays, either send pictures with your child to nursery, or email them over or you could even put them onto parent zone iconnect so we can have a look.

**Win a free
session at
Nursery!**

All we ask is that you follow us on Instagram to keep up to date with relevant nursery information.

WINNER WILL BE DRAWN AT RANDOM IN

What's next.....

In Babies we are focussing on communication and language and personal, social and emotional development looking at relationships and learning new words as we head into the festive season.

In Tweenies we will be celebrating the world around us and the community we live in. We will be focussing on Personal. Social and emotional development, working together, sharing and using kind hands.

In the Pre school room our focus will be on winter and festivals from around the world. Keep your eye's peeled for our daily learning and inspiring and enticing provocations and invitations to play.

We will also be sending some home learning home for you to do with your child so they can share it and group time. We really value our partnership

Nursery Pantry

Nursery Rhymes would like to introduce our new pantry, We understand it is very difficult in the current climate, with the cost of living. So we are making a mini pantry where you can fill in a wish list and we will try our best to fill your bag with items to help support our families.

If any would like to donate any non perishables items please see a member of our team.

If you need support or a chat please catch us at drop off or collection.

Safety and Safeguarding

Please can we remind all parents and Cares not to let anyone in the building **ALWAYS** come and find a staff member.

Please don't push past parents and carers to get in, it is vital that we know who is in the building and that we ensure the proper feedback is given to each parent.

The safety of our children come first... If you are sending someone else to collect please ensure Nursery have the right Password.

Thank you for your Co -Operation.
