

Nursery Rhymes Pantry

Nursery Rhymes would like to introduce our new pantry, We understand it is very difficult in the current climate, with the cost of living. So we are making a mini pantry where you can fill in a wish list and bring a bag and we will try our best to fill your bag with items to help support our families.

Please fill in the wish list with your child's name and either hand it to the senior or post it in the letter box or email .

If any would like to donate any non-perishables items please see a member of our team.

If you need support or a chat please catch us at drop off or collection.

Kind Regards

Nursery Rhymes Team
