

# Tweenies St. Patricks and Easter learning event

19<sup>th</sup> of March 2024

Tweenies carried out a learning event which took place on Tuesday the 19<sup>th</sup> of March 2024. We celebrated St. Patricks day alongside Easter fun and learning activities! The activities included decorating Easter eggs with different materials, malleable play, some fun St. Patricks bookmark making in the mark making area and exploring in the Easter scenery with different sensory materials. The children enjoyed counting eggs in the basket and exploring in the Spring/Easter sand area.

We then had a teddy bears picnic outdoors which the children enjoyed whilst exploring in the sun!

We would like to thank all Parents/Carers who had attended the learning event and being part of the special day. We can't wait for the next learning event!
