

# Nuturing their Nature at Nursery Rhymes

## Our Bouncing Babies

The room holds up to 12 babies at anyone time and has a light and spacious feel to the room. The babies also have their own enclosed outdoor area to learn and explore in.

The baby room has a wide assortment of natural resources to inspire the children and provoke their curiosity.

## Our Terrific Tweenies

This room holds up to 16 2-3 year olds any session.

The children when exploring and learning within this room are encouraged to feel an awe and wonder around all the different areas and activities to inspire learning through the early years foundation stage and the characteristics of effective learning.

We mainly focus on the prime areas within the Tweenie room and the planning we advocate is based on the children's uniqueness ensuring they are meeting their milestones and their developmental needs.

## Our Precious Pre school

We can have 36 children in our not one but over our two spectacular Pre School rooms, we advocate a strong outdoors approach to learning and we have forest school sessions all year through.

Pre school is very diverse and we celebrate and champion all our children, the planning is based on the children as individuals and their needs, uniqueness' and interests.
